of Doddas Sulikere village Ramnagar.

1) For detailed facts of the case kindly
see the letter dated 2-5-63 of the Divisional
Commr Bangalore.

2) It is reported that Aiyappa Munijappa
and 8 others of Doddas Sulikere village

under Grow More Food Scheme as detailed
in para 1 of the letter of 1-8-1962 of the
Dy Commr Bangalore Rural Dist.

3) At the time of Confirmation of lease

are within the limits of Forest "D" line
or adjacent to "D" line and the lessees
are cultivating the land from the date of
grant.

4) The ~~Commr~~ Dy Commr Bangalore
Rural Dist has proposed that the extent
granted under G.M.F. ~~scheme~~ maybe
disafforested for being confirmed in
favour of the lessees.

who was consulted in the matter ~~in~~ has stated
~~opinion~~ that the blocks 1, 2, 3, 4, 6, 7 and 8

are inside minor forests and the cultivation
of it will result in outward boundary of
the forest where the block 5 is outside the

of land.

16) The C.C.F. is not in
favour of confirming the
grant in favour of the
grantees as the area is
inside the Minor forest.
Also, grant of the area
results in awkward bound-
ary of the forest.

11) In view of these
facts, the C.C.F. is not in
favour of the confirmation.
Hence, we may return
the file to R.D. agreeing

with the views of the C.C.F.
and also, we may direct

would be prejudicial to the interests
of the Forest Dept. we may agree

cancel the grant.

- 3
20/5- 13) Even though the C.C.F. is not in favour of
this recommendation for the reasons
stated in his letter. (vide Page 3 of C.F.)
yet it is a point for consideration
whether these grants may be regularised
as suggested by the Divisional Commissioner.
Since the lessees are cultivating the land
of the same persons indicated before

of only 2 acres. If necessary, it may perhaps

(16) I inspected S.No.62 of Doddasulekere Village on 12-7-'63 with the Divisional Forest Officer and the Village Officers. Nine persons have been granted land by the Revenue Department under the Grow More Food Scheme during the year 1942. The grantees are having temporary saguvali chits. The Revenue Department should have consulted the Forest Department at the time of granting the minor Forest land under the Grow More Food Scheme.

(17) The grantees have brought the land under cultivation and it is not proper to dispossess them at this distance of time. I am therefore inclined to disafforest the area recommended by the Deputy Commissioner as a special case. I noticed at the time of spot inspection some more unauthorised cultivation in this minor forest. Immediate steps should be taken to evict the unauthorised cultivators.

I enclose herewith a copy of letter No. LND 1730/61-62 dated 1-8-1962 and the connected records received from the Deputy Commissioner, Bangalore District and to state Sriyuth Muniyella and 7 others were reported to have been granted two acres each and Sri Narasimha an extent of 1-11. Out of s.no. 62 of Doddasulikere village, Ramanagaram taluq under G.M.F. Scheme during the year 1942-43, that the grantees have fulfilled the conditions of grant. The Survey number in question is a goval measuring 208A. 39G. out of this an extent of 185 acres is reported to have been reserved for minor forest. The remaining extent of 23A.6G. has been granted to several persons. The blocks granted to ~~xxx~~ them are reported to be either within the limits of Forest 'D' line or adjacent to 'D' line. The District Forest Officer who has been consulted in the matter of confirmation of the lands granted to the G.M.F. grantees, is not in favour of permanent cultivation.

The Assistant Commissioner who has inspected the spot has stated that the lessees are cultivating the land since very long time, that the lands are adjacent to hiduvali lands, that it is not desirable to dispossess them at this distance of time. He therefore opined that the question of maintaining the forest margin may be waived.

The Deputy Commissioner had recommended that the extent granted under the G.M.F. Scheme may be got disafforested for being confirmed to the G.M.F. grantees.

The Chief Conservator of Forests who was consulted in the matter is of opinion that the blocks 1, 2, 3, 4, 6 7 and 8 which have been granted for cultivation are inside minor forest and the cultivation of it will result in awkward boundary of the forest, that the block 5 is outside the minor forest but is situated within a distance of about 20 feet from "D" line of the minor forest. He therefore is not in favour of confirming the grant and recommends for cancellation of the grant (vide copy enclosed).

The Deputy Commissioner is of the opinion that the lessees are cultivating the land since 1942-43, that it is not desirable to cancel the grants made to them at this distance of time. He therefore requests that the Forest margin may be recommended to be waived for being confirmed to the GMF lessees.

In the circumstances I am of opinion that the G.M.F. grants were made in 1942 and the Forest Department had not raised any objection before and the lands granted are within the demarcation line of the State Forest, but outside the

Letter No.LND. 1730/61-62 dated 1st August 1962
from the Deputy Commissioner, Bangalore ~~Division~~ District,
to the Divisional Commissioner, Bangalore Division.

Subject: Confirmation of land granted under
G.M.F. Scheme in S.No.62 of Doddasulikere
village, Ramanagaram Taluk.

—

In enclosing herewith connected records relating to
the above subject, received from the Assistant Commissioner,
Ramanagaram Sub Division in his letter No.LND SR 2-40
dated 28-5-62, I write to state that the marginally**
noted persons were granted land in S.No.62 of Doddasulikere
village, Ramanagaram Taluk, during the year 1942 under
G.M.F. Scheme to the extent noted against each. As per

Sriyuths	Extent granted.	pahani extracts enclosed to the records, except Smt. Jahirabi, all others are cultivating the land regularly with food crops fulfilling the terms of grant. Sri Narasimhiah has been cultivating an extent of 2 acres as against a grant of 1 acre 11 guntas.
1. Muniyella (Budubudike)	2-00	
2. Dyaviah	2-00	
3. Rokhiabi	2-00	
4. Jahirabi	2-00	
5. Sahibi	2-00	
6. Mohamad Peer	2-00	
7. Abdul Sattar	2-00	
8. Ameenabi	2-00	
9. Narasimha (Budubudike)	1-11	

S.No.62 comprises of total extent
of 218 acres 39 guntas and is classified
as gomal. Out of 218 acres 39 guntas
an extent of 185 acres have been
reserved for Minor Forest. It is seen from the sketch
that most of the blocks are located either on or within
the forest "D" line. The gomal for the village is more
than the requirement.

As per ahaval taktha except Sri Peersab, all others
are landless. Sri Peersab owns an extent of 4-00 acres
of land and is therefore an insufficient holder. The
ahaval taktha of Sri Dyavanna has not been furnished.
The land does not contain any items of reservations.
But Block III contains 9 trees valued at Rs.13/-.

The villagers have no objection for the confirmation.
They have valued the land at Rs.20/- per acre. The
Tahsildar has recommended for confirmation at Rs.25/-
per acre.

The Assistant Commissioner, Ramanagaram Sub Division
has consulted the District Forest Officer regarding

(p.t.o)

the confirmation of the land. The District Forest Officer in his letter No.R.777 dated 18-7-61. has opined that he is not in favour of recommending for permanent cultivation, since the area granted is very close to the Minor Forest ~~and~~ and the grants made by the Revenue Department may be cancelled.

The Assistant Commissioner, Ramanagaram Sub Division has recommended for the confirmation of the grants since the grantees have been all along cultivating the land and that it may not be desirable to dispossess them at this distance of time. Therefore he has recommended for getting the extents disafforested.

He was requested to inspect the spot and furnish his considered opinion. He has reported after spot inspection on 26-5-62 that an extent of 185-00 acres out of ^{this} S.No. has been reserved for constituting a Minor Forest and the remaining extent of 23 acres 6 guntas has been disposed of for cultivation, that a large portion of this survey number is rocky and consequently barren, that even the Minor Forest growth is only Lantana and that the land ~~is~~ granted is next to hiduvali lands. Therefore he has opined that the question of maintaining the Forest margin may be waived.

In the circumstances, I recommend that the extent granted under G.M.F. Scheme may be got disafforested for being confirmed in favour of the G.M.F. grantees. Action will be taken to confirm the grants after receipt of orders.
